Mid-week Connection—June 17, 2020

We are thankful for the relative safety and peace in our community.

We pray for an end to the pandemic, sorrow and discord and for real and lasting change.

We celebrate each of our church families, all friends and members of FPC Statesboro.

Jay and EA at the coast on Blackbeard Island. We have made the most of social distancing on our little boat and enjoying the fresh air as much as we can! Hope you all are well! We are looking forward to seeing our church family again soon! ~ *Michelle Broucek*

Tucker, Phoenix, and I are in the mountains of Virginia visiting my mom (seen here playing with bubbles).

Enjoying visiting and the fresh mountain air. Love our FPC family, and look forward to when we can all be together again!

It will come as no surprise that Joe has been working in his garden during this pandemic. Meanwhile, I have been busy kayaking with friends on the lake. We have also enjoyed worshipping with our FPC Sunday school class over Zoom. ~ Debi Franklin

The Spinners have spent their isolation working around the farm and caring for their rescue animals who reside at the "Second Chance Ranch" (three goats, six dogs, a donkey and a pony).

Jared returned home from NC when his college semester and baseball season were cut short from Covid, and has spent time with the family fishing, kayaking, and conditioning for his return to college.

With his AA completed this spring, Jared will be attending college and playing baseball for Albany State University this coming fall.

Bob even cut down the front pasture to create a "Field of Dreams" for batting practice...
